Elementary Music Program: We are preparing for the Christmas program on December 7 at 7:00 p.m. The students are to wear nice clothes, nothing special this time. We are also going to have a bake sale at the program to help finance our trip to Diller/Odell music clinic which the fifth and sixth grade students attended. This was a very rewarding experience for them. If you were a part of the audience at the Veteran's Day program, you were presented with a taste of the music the students learned and performed at Odell. The students once again did an excellent job of sharing their music talents at the Veteran's Day program. Mrs. Goossen will also have a Book Fair at our elementary program. This will give another opportunity to help our school with books and give you an opportunity to make some gift giving purchases. Notes will be sent home as reminders later about the bake sale.
