Every Supporter Counts!

Microsoft and Scholastic team up to make raising funds for your school *free* and *easy*. The best way to earn the most money possible for your school is to get your whole community involved with **Search and Give™**. Teachers, parents, friends—everyone can help. More people using www.searchandgive.com mean more searches; more searches means more rewards for your students and their classrooms.

The more active supporters your school has, the more rewards your school receives.

The key to success with **Search & Give** lies in the number of active supporters your school has. Take a look at the chart below to see how the number of supporters who participate can determine how much your school can earn. As you can see, the more supporters your school signs up, the more money your school will receive!

| Number of supporters | Number of tickets earned per day* | Total number of tickets per year | Cash your school can earn per year** |
|----------------------|-----------------------------------|----------------------------------|--------------------------------------|
| 25 | 250 | 91,250 | \$912.50 |
| 50 | 500 | 182,500 | \$1,825.00 |

* Each supporter can earn a maximum of 10 tickets per day for searches on www.searchandgive.com, and each ticket from those searches will result in a one-penny donation by Microsoft.
