**With the new phone system in place there will be a new way of using the phones for everyone. Everyone will have a code that will need to be put in the phone when making a phone call. How it works is: you dial the phone number you are calling, wait for a tone then enter the four digit number assigned to you. If the call goes through then the code number was correct, if it doesn't then you need to check with either Linda or Angie to get the correct number and then try again. This will help us to make sure each person is billed for their phone calls. Each family will have a code number which will be mailed out. In the mean time we will assist the children in making phone calls until everyone has their numbers.**

**FCCLA DUES ARE DUE, \$15.00 NOW UNTIL SEPTEMBER 25, 2008. AFTER THIS DATE, YOU WILL NO LONGER BE A MEMBER.**

**Lifetouch School Pictures September 23, 2008, bring packets and money at the time pictures are to be taken. Retakes will be November 4, 2008.**
