Notices

JUNIOR HIGH VOLLEYBALL: The JH girls have competed in two games against Diller-Odell and Pawnee City. The girls went 1-1 with Diller-Odell and came close to a win with Pawnee City. The girls have been working really hard on their volleyball skills and are learning what makes a team. With only 9 girls this year, some have really had to step up and have handled it very well. We still have a lot to work on, but by our next game at Sterling on October 1st at 1:00 p.m., I'm hoping to pull a win. Coach DeBuhr

JUNIOR HIGH FOOTBALL: The JH boys had a rocky start to their football season losing their first game 28-14 against Pawnee City. The boys played hard throughout the game and were rewarded when Connor Barr returned a kick off for a touchdown in the second quarter. Lyle Kwiatkowski added the 2 point conversion. Late in the fourth quarter Connor connected on a 15 yard pass to Alex Nouzovsky who was open in the end zone. The boys have been working hard the last couple weeks trying to prepare for the second game of the season against Sterling, at Sterling on October 1st at 1:00 p.m. in the afternoon. Coach Kraus

Magazine Sales has ended but if you (or your family and friends) would still be interested in placing an order, go online to www.qsp.com and enter account number 425004341. Thanks!

With the new phone system in place there will be a new way of using the phones for everyone. Everyone will have a code that will need to be put in the phone when making a phone call. How it works is: you dial the phone number you are calling, wait for a tone then enter the four digit number assigned to you. If the call goes through then the code number was correct, if it doesn't then you need to check with either Linda or Angie to get the correct number and then try again. This will help us to make sure each person is billed for their phone calls. Each family will have a code number.

Starting October 1, 2008, we will begin a new program. We have been privileged to receive a grant for the Fresh Fruits and Vegetables Program. We will have fresh fruits and vegetables available for the children free of charges. They will be available for all the children who wish to participate. We will try a variety of different fruits and vegetables so every child has the opportunity to learn what they taste like. We will have a taste table to determine what children like. When we have found what children like there will be a fruit and vegetable of the month, hopefully this will encourage children to eat more nutritious foods. We would like parents to encourage their children to participate and try all fruits and vegetables provided.
