Notices

NO SCHOOL FRIDAY, SEPTEMBER 25 – due to a teacher in-service regarding final planning for our new 1:1 technology program and also looking at our school improvement process. We also have varsity volleyball at Humboldt and varsity football at Falls City on Thursday, September 24, so many of our high school students will be out late on the 24th. We will be providing additional information at Parent Teacher Conferences to all parents regarding our technology planning, so please make every effort to attend those conferences.

Due to the H1N1 Virus and the different flu that is going around this year, if your child is brought to the office, is running a fever and ill, they will be asked to wear a surgical mask until a parent has picked them up, but while in the school, this will be mandatory. This is for the protection of everyone involved. We would also like to encourage parents to purchase these masks for home to protect family members at home. This is not to create a scare but to eliminate the spread of any flu virus.

HELP NEEDED: Anyone interested in announcing at the football games this fall, please contact either Dr. McCoy or Mr. Anderson at 402-865-4675. The first home football game is September 18, 2009.

REMINDER – FFA dues need to be paid by September 21.

SCHOOL PICTURES will be taken Tuesday, September 22, 2009. Preschoolers may come in at 8:00 a.m. for pictures if they wish. Remember to send PICTURE ORDER FORMS WITH PAYMENT. Make checks payable to Lifetouch. STUDENTS MUST HAVE THEIR MONEY AND FORMS FOR PICTURES THAT DAY.

MEDICATION FORMS: If your child takes medication on a regular basis, a doctor form needs completed and returned, they also need to supply their own medication in the original bottle with the information on the bottle still intact. If your child periodically takes medication such as a pain reliever for headache, the parent form needs completed and brought back to the school office. This form was handed out to the students on the first day of school. If you need forms, please stop by the office or if you have any questions, please feel free to call 402-865-4675.
